

EXPLORE GOD ORIENTATION

- This group is an opportunity for all of us to consider what we think about lots of spiritual issues.
- We'll watch two short films and then discuss them, poke holes in them, agree, and disagree.
- There's nothing for you to prepare each week, and you can participate at whatever level you feel comfortable.
- The great thing about this group is that it's a discussion. It's about exploration.
- I'm not here to convince anyone about anything. I'm on the journey just like you.
- The reality is that none of us has it all figured out. We all have questions and we can probably learn something from everyone.
- I would like to ask that each of us be respectful of each other's views. We're not here to debate or argue.
- We're here to foster great conversation around some of the most important questions we all have.
- When we met before, we shared questions that we would ask God. Many of those questions are addressed in the "7 Big Questions" video series, and they are good discussion starters.
- The first two videos in the series are called "Does Life Have a Purpose?" and we'll start by watching the short one, which is called "The Pulse of the World on Purpose." It's a collection of many ideas from people around the world. As you listen, think about which viewpoint you can identify with, and we'll talk about that after we watch the video.
