CHALLENGE

HOW Q PLACE CAN HELP

Your people don't feel equipped or qualified to have meaningful conversations about God with people who believe differently.

We offer practices based on Jesus' interactions with people, that build trust and lead to meaningful conversations about God.

The 9 Arts of Spiritual Conversations

Easy-to-use small group curriculum that gives Christians practice at skills to help them engage in conversations about life and God with people outside the church.

"As we have gone through the 9 Arts class, the Holy Spirit has prompted me to have personal conversations with multiple unbelievers.

I have known a guy at work for several years, and this is the first time I feel the door has been open to continue these conversations."

– Jesse G., IN

Your people might be interested in sharing the gospel but they don't know of a way that feels culturally appropriate.

We help Christians share the message of Jesus in a way that is not pushy and encourages self-discovery. (And people love it!)

"We had been asking God how we could influence our friends spiritually . . .

Q Place Coaching gave us invaluable encouragement to 'pull the trigger' and host a discussion group about God and spiritual questions.

Jesus is drawing our friends to himself, and we get to observe and participate. What an adventure!"

– Dave & Syd P., FL
